

Generac Announces Attendance at Upcoming Investor Conferences

May 23, 2013

WAUKESHA, Wis.--(BUSINESS WIRE)--May. 23, 2013-- Generac Holdings Inc. (NYSE: GNRC), a leading designer and manufacturer of generators and other engine powered products, today announced its attendance at two upcoming investor conferences. Company management is scheduled to meet with investors at the following conferences:

- Thursday, May 30, 2013 at the KeyBanc Capital Markets Industrial, Automotive, and Transportation Conference located at the InterContinental Hotel in Boston. Company management will be meeting with investors throughout the day with a general presentation at 12:05 p.m. EDT.
- Wednesday, June 5, 2013 at the J.P. Morgan Diversified Industries Conference located at the J.P. Morgan Conference Center in New York. Company management will be meeting with investors throughout the day with a general presentation at 8:45 a.m. EDT. A link to a live audio webcast will be available on Generac's website (<http://www.generac.com>) for this general presentation. A replay of the audio webcast presentation will be available for 30 days.

Investor presentations will be available on the day of each respective conference on Generac's website under the Investor Relations link.

About Generac

Since 1959, Generac has been a leading designer and manufacturer of a wide range of generators and other engine powered products. As a leader in power equipment serving residential, light commercial, industrial and construction markets, Generac's power products are available internationally through a broad network of independent dealers, retailers, wholesalers and equipment rental companies.
