

## **Environmental Policy**

---

With Environment as one of our Corporate Values, Generac is committed to developing environmentally responsible products and processes. We are committed to compliance with environmental regulations and continuous improvement of our sustainability initiatives. Generac has adopted a Drive to Zero strategy across our operations globally, which seeks to enhance reductions in energy, water, waste, and emissions to protect our planet and improve the quality of life for our employees, their families, and our communities.

This Environmental Policy is an integral component of Generac's EHS Management System, which is certified to ISO:14001 and helps ensure that our company's environmental impact complies with regulatory requirements and is being measured and improved.
